

FELTON ROAD

Thank you for your interest in our single Block wines.

We make five of these wines each vintage, two Pinot Noir's (Blocks 3 and 5), two Chardonnays (Blocks 2 and 6) and a Riesling (Block 1).

As demand far exceeds supply at every release, we never have anywhere near enough wine to go around. We have many loyal customers (some since our first vintage in 1997!) that we like to look after with a guaranteed allocation at each release, rather than sell an unlimited amount of wine to our latest fan and disappoint past and loyal customers. For your information, we do not sell any of our single Block wines at the winery Cellar Door: New customers must go on a waiting list to join the Block List. We carefully manage the number of customers on the list to ensure that everyone gets a chance to purchase an allocation.
