

FELTON ROAD

Felton Road • Dry Riesling • 2004 • Bannockburn • Central Otago

Vintage & Vinification

Riesling from Blocks 2 and 4 were hand harvested in late April after an interesting Central Otago growing season. Well managed vines with low to moderate yields allow for concentrated fruit flavours. Whole bunch pressing to minimise phenolic pick-up followed by careful winemaking with minimal processing preserves the delicate Riesling characters.

Bouquet & Palate

This wine displays aromas of pear and citrus combining with delicate floral, spice and mineral notes. Excellent fruit concentration on the palate gives an impression of sweetness that is balanced by the crisp and minerally finish. A classic dry style of Riesling that displays power and finesse.

Comments on 2002 Dry Riesling

“Their 2002 Dry Riesling is just that – dry, never ending, fine and zesty...it is by far and away the finest NZ Riesling I have ever tasted. The smooth cultured, luxurious palate is creamy, exotic, dreamy, tropical and ever so long. This is up there with the finest Alsatian or German creations.”
