WINERIES FOR
CLIMATE ACTION**

SILVER MEMBER

Felton Road Wines Limited

has been audited and found to be in accordance with the requirements established by the IWCA Standing Rules for GHG emissions Scopes 1-3, from the vineyard to the final disposal of waste once the product has been consumed. IWCA affirms that the above-named winery is working to achieve Net Zero emissions by 2050 at the latest, in recognition of the significant threat climate change holds for our agricultural-based industry and the resulting need to take mitigative action.
