

**B**est known world-wide for its distinctive Marlborough Sauvignon Blanc, more recently New Zealand has established itself as a producer of world-class Pinot Noir from various parts of the country.

## Felton Road Bannockburn Pinot Noir 2023

### Central Otago

Deeply coloured for a Pinot Noir. Pure and focused with piquant dark cherry fruits, with plenty of refreshing acidity. The fruit is ripe but never sweet. There is some toasty oak, an earthiness, some spicy notes, with black pepper. There are firm tannins on the finish, promising a good future.
